THE ROYAL AIR FORCES ASSOCIATION

Come and join us at the

Spirit of North Weald Fly-in and Community Day

at North Weald Airfield on Sunday 13 September 2009

Aimed at raising funds for the RAFA's Battle of Britain Wings Appeal, this community event is not a formal Air Display, but a unique selection of veteran aircraft will be on show, alongside visiting Norwegian Air Force F16 Jets and home-based General Aviation aircraft.

Many of North Weald's regular visitors, including aircraft from the RAF's 72(R) Squadron and the Battle of Britain Memorial Flight, are expected to fly in, providing a unique opportunity for people to experience at close quarters the sights and sounds of a wide variety of aircraft from bi-plane to supersonic fighter.

The Airfield will be open to the public and visiting aircraft from 9.00 and a variety of activities, including stalls, displays, exhibitions and children's amusements, will be on show in a dedicated 'Community Area' from 11.00.

Staged by The Squadron and Epping Forest District Council, with the support of Airfield users, tenants and the local community, this family event will also feature F16 Fighters of 132 Wing Royal Norwegian Air Force flying in from their base at Bodø, north of the Arctic Circle. They are returning to the Wing's Second World War home, to commemorate

the Norwegian Air Force's 65th Anniversary and celebrate their close bond with the North Weald community. The take off and fly-bys, when they start their journey back to Norway, is bound to be one of the day's highlights.

For further information, please telephone The Squadron on 01992 524510 or visit their website at www.nwflying.co.uk.

Entry is £3 (£2 for those under 12 or over 60) and parking is free. Pedestrian access is via a free bus service from outside the Airfield Museum in Hurricane way.

No landing fees for visiting aircraft!
