1

2

Name: ..... Name: .....

Address: ..... Address: .....

.....

.....

Tel: (w) ..... Tel: (w) .....

Tel: (h) ..... Tel: (h) .....

4. Automatic Cut out Device

(a) Is a device installed? YES/NO

(b) If YES how many minutes after it commences ringing does it stop?

..... minutes.

(c) Does the Automatic Cut out device work after a power-cut to the system? YES/NO

If you have answered **No** to questions (a) or (c) we suggest that you consider altering the system to minimise the risk of your alarm causing a statutory noise nuisance.
