1. This is the vision for Harlow and Gilston Garden Town.
What do you think of this vision? Do you feel excited about it?
Does anything concern you?

2. Do you support the principles for the four themes set out in the exhibition?
Please rate these below.

Strongly agree	Agree	Don't know	Disagree	Strongly disagree
Placemaking and Homes (pages 8 - 11)				
Landscape and Green Infrastructure (pages 12 - 15)				
Sustainable Movement (pages 16 - 19)				
Economy and Regeneration (pages 20 - 23)				

Do you have any comments?

3. Sir Frederick Gibberd designed the original masterplan for Harlow, Sir Charles Kao invented fibre optic technology in the town and sculptures by many famous artists feature in the town.

How would you like to see the history of the areas that make up the Garden Town celebrated through this vision?

4. Think about your local area and other places where you may have lived.
In your opinion, what makes a good or joyful place to live?

5. A range of homes set within a high quality landscape is very important to the success of the Garden Town.

In your opinion what would make the new homes, villages or neighbourhoods and their landscape 'high quality'?

6. What do you currently use Harlow town centre for?
What would make you visit it more often?

7. New Sustainable Transport Corridors will encourage more people to walk, cycle and take public transport across the Garden Town.

Think of the journeys you make, what would help you to use sustainable transport more in the Garden Town?

8. Your comments will help shape this vision for the Garden Town.

How else would you like to be involved in shaping the Garden Town?

Do you have any other comments?
