Off-Street Car Parking Accounts

FY2023/24

OFF-STREET PARKING ACCOUNT

Epping Forest District Council (EFDC) is responsible for off-street car park enforcement only. On-street parking in the District is a function of the North Essex Parking Partnership (NEPP) under delegated authority from Essex County Council.

Information on EFDC operated off-street car parks for the financial year 2023/24 is provided below.

SECTION 55 PARKING ACCOUNT

A Section 55 Parking Account must be produced each year and include:

- Income from on-street charges and on-street parking fines and on-street-and-off-street enforcement activities
- Expenditure on the provision and maintenance of designated parking places and enforcement activities.

It is a requirement that any surplus is used in accordance with the legislative restrictions section 55 (as amended) of the Road Traffic Regulation Act 1984.

ADDITIONAL INFORMATION

The Local Government Transparency Code requires local authorities with responsibility for parking enforcement to publish parking account information and parking spaces. The parking account includes income from and expenditure on designated parking places (including off-street) and parking contraventions related to parking places and other parking matters.

Local authorities with parking enforcement powers must publish the number of parking spaces which includes marked out controlled on and off-street parking spaces within the area, or an estimate of the number of spaces where controlled parking space is not marked out in individual parking bays or spaces.
