

Community Covenant

AN ARMED FORCES COMMUNITY COVENANT

Between

*Essex County Council, City, District and Borough Councils,
Representatives of the Charitable and Voluntary Sectors, The Civilian Community of Essex*

and

The Armed Forces Community in Essex

The Armed Forces Community Covenant is a voluntary statement of mutual support between a civilian community and its local Armed Forces Community. It is intended to complement the Armed Forces Covenant, which outlines the moral obligation between the Nation, the Government and the Armed Forces, at the local level.

The purpose of this Community Covenant is to encourage support for the Armed Forces Community working and residing in Essex and to recognise and remember the sacrifices made by members of this Armed Forces Community, particularly those who made the ultimate sacrifice. This includes in-Service and ex-Service personnel their families and widow(er)s in Essex.

For Essex County Council and partner organisations, the Community Covenant presents an opportunity to bring their knowledge, experience and expertise to bear on the provision of help and advice to members of the Armed Forces Community. It also presents an opportunity to build upon existing good work on other initiatives such as the Welfare Pathway.

For the Armed Forces community, the Community Covenant encourages the integration of Service life into civilian life and encourages members of the Armed Forces community to help their local community.

We, the undersigned, agree to work and act together to honour the Armed Forces Community Covenant.
