

List of Buildings of Local Architectural or Historic Interest

HIGH LAVER PARISH

1. HIGH LAVER HALL	<i>High Laver</i>	Handsome 19th century symmetrical farmhouse. Suggestions of earlier origins. Forms a group with traditional farm buildings. Of aesthetic and historic value
2. BARNS TO WEST OF HIGH LAVER	<i>High Laver</i>	Characterful group of vernacular farm buildings associated with High Laver Hall; main large barn is weatherboarded, rear wing is in yellow brick and other outbuilding in red brick. Typical Essex detailing/materials. Of aesthetic and historic value
3. THE THATCHED COTTAGE HIGH LAVER	<i>High Laver</i>	Humble 19th century cottage, single storey rough render walls under thatch roof. Attractive vernacular structure that is little altered externally. Of aesthetic interest
4. MORETON CONGREGATIONAL CHURCH	<i>High Laver</i>	Small 19th century yellow brick chapel with red brick dressings and attractive polychrome detailing. Suggestion of previous date plaque marked 1862, although building in very poor condition at time of survey. Of aesthetic interest
5. AMERICA COTTAGE	<i>Watery Lane</i>	19th century cottage - possibly converted from 2 cottages. Constructed of smooth render and incorporates traditional Essex pargetting, under a clay tile roof. Of aesthetic value.
