**Consultation:** Publication of the Moreton, Bobbingworth and the Lavers Neighbourhood Plan

Dear Sir/Madam,

Thank you for your email dated 22<sup>nd</sup> January 2019, advising Highways England of the above consultation.

Highways England has been appointed by the Secretary of State for Transport as strategic highway company under the provisions of the Infrastructure Act 2015 and is the highway authority, traffic authority and street authority for the strategic road network (SRN). The SRN is a critical national asset and as such Highways England works to ensure that it operates and is managed in the public interest, both in respect of current activities and needs as well as in providing effective stewardship of its long-term operation and integrity.

Highways England will be concerned with proposals that have the potential to impact on the safe and efficient operation of the SRN. In the case of Moreton, Bobbingworth and the Lavers. The closest point of the SRN is M11, in particular Junction 7.

Having examined the consultation documents, at this time, we do not have any comments to make on the Moreton, Bobbingworth and the Lavers Neighbourhood Plan.

Kind Regards,

**Kayley Smith (On behalf of Janice Burgess, Area 5 Spatial Planning Manager)**
