

Epping Forest District Council (Off-Street Parking Places) Order 2020

Statement of Reasons

Clifton Road car park

The Council has purchased Centric Parade and the order is required to introduce Clifton Road car park into the Off-Street Parking Order and to introduce a charging structure.

Quaker Lane car park

The new Order is required to introduce resident permits into the short stay section of Quaker Lane car park. A limited number of permits are proposed for properties 1-4 South Place, Waltham Abbey.

Torrington Drive (Off-Street Parking Area)

A change to the operational times is proposed to amend to 7am to 7pm Monday to Friday

A technical change to the definitions for the Order is also planned. This will add car share club permits into the Order to allow this type of permit and parking space to be introduced if required.
