1.0 Purpose of the Scheme and background.

- 1.1 The purpose of this document is to determine eligibility for a payment under the Council's Additional Restrictions Grant Scheme (ARG). The Council, as the Business Rates Billing Authority is responsible for payment of these grants.
- 1.2 This discretionary grant scheme has been developed by the Council in response to an announcement made by the Secretary of State for Business, Energy & Industrial Strategy made on 31st October 2020 which sets out the basic circumstances whereby an additional restriction grant payment may be made by the Council to a business which has to close or are severely affected due to localised or widespread national restrictions being put in place to manage coronavirus and save lives.
- 1.3 Whilst the awarding of grants will largely be at the Council's discretion, the Department for Business, Energy & Industrial Strategy (BEIS) has set down criteria which **must** be met by each business making an application.
- 1.4 The scheme applies where local restrictions (LCAL3) are put in place **or** where a widespread national lockdown is announced.
- 1.5 Localised restrictions are legally binding restrictions imposed on specific Local Authority areas or multiple Local Authority areas, where the Secretary of State for Health and Social Care requires the closure of businesses in a local area under regulations made using powers in Part 2A of the Public Health (Control of Disease) Act 1984 in response to the threat posed by coronavirus and commonly as part of a wider set of measures.
- 1.6 National restrictions are nationally binding widespread restrictions imposed by Parliament under legislation. The current national restrictions are made under the Health Protection (Coronavirus, Restrictions) (England) (No. 4) Regulations 2020.
- 1.7 Grants under this scheme will be available for the 2020/21 and 2021/22 financial years only.
- 1.8 No grant shall be paid for any period where the localised or widespread national restrictions were in place prior to 14th October 2020.
- 1.9 Where any area enters either a localised restriction (LCAL3) or where a national restriction applies, additional assistance may be given to businesses under the Council's Local Restrictions Support Grants (Closed) Scheme (as amended).

2.0 Funding

- 2.1 Under the Additional Restrictions Grant Scheme (ARG) provisions, Local Authorities will receive finite funding from Government. Once that funding is exhausted, the Council reserves the right to close the scheme.

- 2.2 Once the Council's area is removed from local restrictions (LCAL3) or widespread national restrictions, no additional funding will be received from Government even if either the local restrictions or widespread national restrictions are re-instated.

3.0 Eligibility criteria and awards

- 3.1 The Council is able to use this funding for business support activities and Government envisage that this will primarily take the form of discretionary grants although it can be used for wider business support activities.
- 3.2 If Local Authorities use the Additional Restriction Grant for direct business support grants, Government has stated that the same conditions of grant **must** apply as for the Local Restrictions Support Grant (Closed) scheme. However, the Council will have the discretion to alter the amount of funding offered to individual businesses and the frequency of payment.
- 3.3 Government has stated that the Council *may* also consider making grant payments to those businesses which, while not legally forced to close are nonetheless severely impacted by the restrictions put in place to control the spread of Covid-19. Government has also stated that the Council may also wish to assist business which are outside of the rating system and which are effectively forced to close.

Eligibility Criteria

- 3.4 For the purposes of this scheme the Council has decided that the following eligibility criteria must be met in order to receive an Additional Restriction Grant. Businesses must:
- (a) Be a Micro or Small business; **and**
 - (b) Have ongoing fixed property related costs; **and**
 - (c) Can demonstrate that they have suffered a significant fall in income due to the COVID-19 crisis;

Priority Businesses for Receipt of Grants

- 3.5 The Council has decided that the following businesses will be considered priority for this scheme:

Non-essential retail regular market traders operating in the EFDC district

Those with fixed property costs, such as rent, who do not have their own business rates assessment and are currently unable to trade due to Covid-19 restrictions.

Bed & Breakfasts

Where they pay Council Tax instead of business rates.

Charities

Charity properties in receipt of charitable business rates relief which would otherwise have been eligible for Small Business Rates Relief or Rural Rate Relief.

Storage premises connected to events, hospitality or leisure

Events, hospitality or leisure businesses that require premises for storage of goods or equipment and the occupying business has not received a Business Grant relating to another business property.

Retail businesses who do not show as such on the ratings list

Properties not described as 'shop and premises' or similar within the rating list but undertake retail sales open to the public at the premises.

Business centres

Business operating in an incubation environment and who are the ratepayer of the premises.

Retail manufacturing

Businesses involved in manufacture for retail.

Supply chain businesses whose customers are legally forced to close

Businesses not legally forced to close but whose trading has been impacted by its customers being required to close.

Wholesale retail and vehicle repair and servicing stores

Businesses within the motor trade impacted by the government directives not to travel that have reduced vehicle usage and therefore demand and customer footfall.

Taxi/minicab/minibus/coach hire businesses

Taxi and minicab operators who have been impacted by the call for people to make essential journeys only and relied on the leisure, hospitality, retail trade and commuters to generate business.

Kennels and Catteries

Premises used wholly or mainly for the provision of boarding for cats or dogs

Newly Self Employed who have set up a business after 6th April 2021

Properties that have had their rateable value reduced to within the qualifying thresholds for national grant schemes; and had previously been excluded from the national grant schemes on this basis.

This will only apply to rateable value reductions received during periods when the Council still had the power to exercise discretion in awarding grants under these schemes.

Other businesses suffering directly from the impact of lockdown

Businesses not on this list but who have a genuine case for discretionary consideration due to the impact of lockdown on their business or the importance of their business to the local economy or future recovery. This might include businesses that have received a

LRS(CLOSED) grant but need further help – particularly in the hardest hit hospitality, leisure and personal care sectors.

An amount representing 20% of the original central Government Additional Restriction Grant allocation of £2.6 million will be ring-fenced for the purposes of supporting economic development in the district. This ring-fenced amount will come under the Council's wider economic development strategy, as distinct from the specific purposes of the Covid support grants.

Award Levels

3.6 The Council has decided the following grant award levels:

- £3,000 where 'Small' businesses meet the required criteria;
- £2,000 where 'Micro' businesses meet the required criteria;
- £1,000 where all 'other' businesses meet the required criteria including regular market traders.
- £500 taxi/private hire drivers

3.7 These payments are non-recurring – that is they will be single ad-hoc payments. The Council will make payments in line with the above denominations. The Council will use its discretion to time these ad-hoc payments to coincide with the periods businesses are most in need – that is should the Local Restrictions Grant (Closed) Addendum restrictions and the Tier restrictions prevail. Such payments will be limited by the overall grant allocation from central Government which is strictly finite and cannot be increased upon.

3.8 Any future changes to the Additional Restrictions Grant policy will be dealt with by the Customer Service Director in consultation with the Portfolio Holders for Customer & Corporate Support and for Finance & Economic Development.

Excluded businesses – both local and national restrictions

3.9 The following businesses will **not** be eligible for an award:

- (a) Businesses in areas outside the scope of the localised restrictions, as defined by Government and not subject to a widespread national restriction;
- (b) Businesses that have chosen to close but not been required to, will not be eligible;
- (c) Businesses which have already received grant payments that equal the maximum levels of State aid permitted under the de minimis and the COVID-19 Temporary State Aid Framework; and
- (d) Businesses that were in administration, are insolvent or where a striking-off notice has been made at the date of the local restriction or widespread national restriction.

The Effective Date

Who can receive the grant?

- 3.11 In **all** cases, Government has stated that the person who will receive the grant will be the person who, according to the Council's records, was the ratepayer in respect of the hereditament at the effective date.
- 3.12 Where the Council has reason to believe that the information it holds about the ratepayer at the effective date is inaccurate, it may withhold or recover the grant and take reasonable steps to identify the correct ratepayer. Where, it is subsequently determined that the records held are incorrect, the Council reserves the right to recover any grant incorrectly paid.
- 3.13 Where any business misrepresents information or contrives to take advantage of the scheme, the Council will look to recover any grant paid and take appropriate legal action. Likewise, if any ratepayer is found to have falsified records in order to obtain a grant.
